

BE A SAFETY ROLE MODEL

STUDENTS

- Be a safety leader for your friends by crossing carefully at corners and crosswalks, always walking or rolling on the sidewalk.
- Wear bright clothing and lights or something reflective on your jacket or backpack.
- Set an example for your classmates by finding walking buddies in your neighborhood, then encourage each other to walk to school as often as possible.

PARENTS AND CAREGIVERS

- Set an active example for your student by organizing a regular walking school bus from your neighborhood at least once a week.
- Help your child find neighborhood walking buddies.
- Practice walking to school with your child to reinforce safe walking behavior.
- When driving, remember to slow down in school zones to make it safe for students to cross the street.

**MODEL AND ENCOURAGE
SAFE BEHAVIOR ON YOUR
WAY TO SCHOOL!**
